FAMILY

Everything you need to know to ensure we're
#GrowingAwesomeTogether in 2021

Introduction:

It's our absolute pleasure to warmly welcome you into our family at The Renaissance School of Dance (RSD). Our team are thrilled to see many familiar faces return to the studio and even more excited to see some new faces join our community. We have created this one-stop handbook to shed some light on how things will run throughout the year as well as answer a lot of queries you may have before the year begins. While we would love you to take the time to read this information carefully and keep your handbook in a safe place to refer to as you need, don't forget that our friendly office staff are always here to help and will happily answer any queries you may have. Nothing is too big or too small!

Providing the opportunity for our young people to grow into an amazing person, both on and off the stage, is the reason why I do what I do in our community. Dance has been my passion since my first dance class at 2 years old and I love sharing this with our younger generation. I knew at 5 years old that I wanted to be a dance teacher and jumped on the opportunity to start The Renaissance School of Dance from scratch in 2004. Every day I get to share this love with kids from all over Auckland. Along my journey I have also found a passion for business and leadership where I can inspire other teachers to grow in themselves and share their passion with even more of our community!

And of course, we love having loads of fun along the way!

With the birth of my first son, Jayden in 2017 and daughter, Charlie in 2020 it has strengthened my ethos in leading by example and living with the conviction that you should do what you love, with a tribe of people that you love!

FUN FACTS: I love to travel, play board games and read (non-fiction). My favourite foods are sushi and mint dark chocolate. I've developed a small obsession with smoothies! When I was 14 years old I played Nana the Dog and Lead Pirate in Peter Pan on the Aotea Theatre stage!! can't wait to have an awesome year of dance together!

My why: to educate, inspire and motivate the next generation of awesome human beings!

OUR ROCKSTAR TEACHERS AND STAFF!

CODE OF CONDUCT, SAFETY & PRIVACY

To ensure the smooth, safe running of The Renaissance School of Dance and an enjoyable experience by all, below you will find our code of conduct. As always we are open to feedback, so if any of the requirements outlined below are unclear or concerning, please give us a call to discuss further. Following a formal meeting, we do reserve the right to dismiss or take disciplinary action on any students or parents who breach our studio's code of conduct.

Families who do not comply with their fee or costume payment obligations may be charged a late fee, and/or excluded from performances. External debt collection may occur when fees remain overdue and this will be at the expense of the client. Costume expenses are the responsibility of the parent, and costumes will not be issued to students with unpaid class fees.

We are unable to take responsibility for our students before or after their scheduled classes and it is the responsibility of the parent to ensure their child is picked up and dropped off on time. In the case of an emergency or unavoidable delay, please contact the studio immediately to inform us of the situation so we can keep your child calm and safe until they can be collected. Do not encourage your child to wait in the carpark or on the roadside.

Any questions or complaints must go through the office – parents and students are not permitted to contact RSD teachers directly via personal phone, in person, or via email / social networking with studio issues unless it has been broached with the principal first. Personal meetings with the studio principal can happily be arranged.

RSD takes no responsibility for any stolen or misplaced property on the studio premises and we encourage our families to avoid bringing valuable items into the studio where possible.

RSD management reserves the right to change teachers or timetabling when necessary at any time throughout the year.

Parents/caregivers are not permitted to watch classes from within the classroom itself, as this distracts all students in the class. However you may watch the first and last lesson of each term to see your child's progress. There are waiting areas provided for each studio and viewing windows.

The dance studios are a gum-free and smoke-free zone.

When entering and exiting the studios, be considerate to the classes already in progress; be quiet and do not disturb their learning.

With the safety of our families a number one priority, RSD is very serious about upholding Child Protection laws and policies within the studio as well as at public performances and in the online arena (website and social media).

As part of your registration, you will have read and signed a media waiver allowing us to proudly use images and video footage of your student for advertising and promotional purposes. Should you have any concerns whatsoever with signing this declaration, please talk to our staff who will happily assist you.

The directors and staff at The Renaissance School of Dance are educated in the negative impact of inappropriate music and costume selection when it comes to performing dance routines and are wholeheartedly committed to ensuring children in all of our dance routines are not subjected to any inappropriate songs or costuming. We recognise that songs with sexist, explicit, violent, racist, homophobic or criminal content may influence our dancers and/or audience and will strive to avoid using such music. We are committed to restricting costumes that project sexuality; contain explicit graphic or textual content.

ATTENDANCE

Your child's attendance in class is very important to their peers and our teaching staff. As a member of the team, it is a commitment for you to ensure your child attends their classes on time each week and attends all lessons planned for them. Not only do absences impact the routines we create, it also impacts the social and confidence-building principles we work hard to foster in each age group.

If you know ahead of time that your child will be absent due to holidays, commitments or school trips, please let us know ahead of time so the class impact is minimal. If your child is too unwell to attend class, we ask that you inform our admin team as soon as you can so they can let the teachers know and preparations can be made to catch up on any missed work.

We may be able to accommodate make-up sessions for students who miss classes, please talk to us about this should the situation occur. We will make every endeavour to schedule a catch-up class in the unlikely event that The Renaissance School of Dance needs to cancel a lesson.

We regularly upload videos from class to our digital classroom app MOVITAE, in the case where they may miss a class, they can catch-up with practice at home using this tool.

2021 CALENDAR

We understand wholeheartedly how busy the lives and schedules of our dance families can get as the year rolls on, so we have tried to get all of our important dates organised and ready for you so you can plan other commitments. Below we have listed some of our most important "Save the Dates" with more information including times, costumes, requirements, etc. to be communicated via email, our RSD family facebook group and MOVITAE as we get closer to the events. If you know ahead of time that your family will be unable to attend these events due to planned holidays or existing commitments, please let us know at your earliest convenience. Thank you.

Please note that RSD dance classes will run year round in 2021 from 2nd February to 11th December with no breaks for school holidays. This ensures that we are always providing the opportunity for students to grow, maintaining momentum in learning from week to week. RSD EVENTS

Exams, Assessments & Performance Awards

As a studio who values the growth and commitment of our dancers it's our pleasure to offer exams, performance awards and assessments to students as a part of our yearly program.

Exam sessions are held in June/July for all styles, except Acro which is assessed in November. The RSD Performance Awards event is also held in November for all dance styles. With the exact dates to be confirmed nearer the time. We encourage ALL dancers to enter for performance awards, assessments or exam if they are showing they are working hard in class throughout the year and receive a special invitation from their teacher.

While these awards are not compulsory, our programs are designed to progress through the levels as the dancer develops and as they grow older, we strongly recommend completing these awards (if invited) in recognition for their hard work and skills.

Our vast experience shows that formal awards like these present a unique opportunity for the children to display and take pride in how hard they work, they help students to become more confident in themselves; take responsibility for practice outside of class times, and teaches them to perform while also ensuring their ongoing improvement in technique. Our students always find their award experience to be uplifting, beneficial and rewarding.

ENTRY FEES for Performance Awards, Exams and Assessments range between \$45-\$115 (depending on level). Each dancer will receive a marking/comments sheet and/or certificate and/or rosette/badge/ribbon.

What is the difference between EXAMS/Assessment & PERFORMANCE AWARDS?

EXAMS & ASSESSMENTS	PERFORMANCE AWARDS
Performed together as a class	Performed as a solo or duo
Receive a Comments Card	Receive a Comments Card
Some levels receive a ribbon or badge - given in class a few weeks after the event	ALL levels receive a rosette, ribbon or badge - presented immediately after the performance group
Closed-door	Parents & siblings can watch
Assessed on technique	Assessed on performing with heart!

OUR ANNUAL STAGE SHOWS

This is one of the highlights of the year! An amazing opportunity to perform in front of a large audience, to showcase what the dancers have learnt throughout the year. The dancers will gain knowledge about working in a theatre, gain valuable stage experience, and receive praise and recognition for their talents and hard work from friends and family.

It's an exciting opportunity to dress in custom-made costumes, have your hair done and makeup applied by our professional and creative team and feel like a superstar!

The dancers will develop confidence with working in a group and begin to create stage charisma. It's platform to express creative flair with designing costumes, creating choreography and forming stage directions, lighting and overall look of each piece. When working on performances for our annual stage show, the students may also be given the opportunity to choreograph their dances and design their own costumes, develop skills for teamwork, creativity and take pride in their contribution to the overall stage show.

It's A LOT of FUN to perform on a proper theatre stage with lights, curtains and rehearsals just like the professionals!

RSD produces two stage shows a year - a babyballet show specifically for our babyballet stars! And a show for all OTHER classes...what we call 'the BIG KIDS show'. Both shows are held at the Raye Freedman Arts Centre (Epsom Girls Grammar School)

BIG KIDS SHOW - Costume Fittings: 21st & 22nd August
Rehearsal/Performance: 22nd - 26th September

babyballet® SHOW - 26th & 27th November.
Costume Fittings will be done during class times the weeks leading up to the show weekend.

THE SHOW HANDBOOK is the 'bible' with all the golden information about our shows - this booklet will be distributed in June AND the performance fee posted in the Parent Portal/emailed around the same time. The babyballet performance fee will be invoiced/emailed in August. THE SHOW HANDBOOK will answer any questions you might have...and some answers to questions you didn't know you had!

All tickets for the shows can be purchased from www.iticket.co.nz. THE BIG KIDS show will go on sale in August and the babyballet show in September.

PERFORMANCE FEE This is \$90 for a dancer doing one class (this includes the hireage of costumes, hair and makeup and professional video and photography of the show, rehearsal fee), \$130 for two classes, and \$165 for three classes.
