

THE RENAISSANCE READER

The official newsletter of The Renaissance School of Dance

Hello MARCH!

Back to our bubbles we go!

This directors message and newsletter was all set to send out first thing Monday morning, but I've re-written it at the last minute, while we all come to terms with this being our new normal, quickly adaptable to the situations given to us. I believe that if anyone can do it, RSD students and families can! We are a resilient bunch and as long as we are dancing, we are happy!

I'm looking forward to seeing all your awesome pictures and videos of you enjoying the DIGI-DANCE Floor Experience this time around...send them in to us!

Thank you for your patience while we complete the small renovations in the back of the studio, creating a wall to separate the 3rd studio and kitchen, it's going to be awesome once it's complete and painted bright orange!

We are planning to have our annual RSD Teddy Bears Picnic next month, at this stage it will be a 'save-the-date' and confirmed nearer the time!

And later this month we will be sending our exam invitations. So continue to work hard in classes (in the studio and on zoom!), ask lots of questions so you know you are understanding what the teacher is explaining - and hopefully you'll be invited to sit this amazing recognition of your work (in June/July).

Yours in dancing, Miss Margs
Studio Director

**We had a short
lockdown that saw
us back on Zoom!
(Even Starlet made
an appearance!)**

**... But nothing beats
being back in studio
with your dance
buddies!

COMMUNITY SHOUTOUT

Crendles

Crendles stands for Creatively Engraved Candles – creatively because you create the design for your special person or occasion.

Warunee loves candles and art, and we were looking to start a business. So after a flurry of activity, here we are engraving candles to customer's personal designs!

We sell online through our web store, which has a built-in candle designer. Members of RSD Family Facebook group get 30% off – message us on our Facebook page for your coupon code.

We've been involved with RSD for two years and we're stoked with the culture here. Naomi (5) does musical theatre, ballet and tap. Isaac (6) does hip hop. They love performing in shows!

Keen dancers Naomi and Isaac!

BONUS FACT: Miss Margs went to school with Naomi and Isaac's dad!

TEACHER FEATURE

"In my classes I create a fun and safe environment for the students to grow, explore and find what it is they are passionate about.

I encourage and empower the students that come through the studio doors to be themselves.

Obstacles will arise and as always - I will help guide the students to solve and overcome them. Keeping an open mind and working together will get us through."

Miss Faith teaches Hip Hop at RSD - but is also a really awesome contemporary dancer and has a Bachelor of Performing Arts from Unitec

DID YOU KNOW...?

**At RSD we have our very own
